3. (Unclassified - GLC) Talked again with Dorothy Fosdick, of the National Security Staffing and Operations Subcommittee staff, and advised her that [redacted] was ill and therefore we would be unable to arrange a meeting today. She indicated that in view of the fact she was working on some deadline material herself, she would be just as happy to put this over until the latter part of next week if that would not delay our work. I indicated this would not delay our work and we would be in touch with her after Christmas.
